NO VISITORS ARE ALLOWED AT THIS TIME

Visitation can occur for certain compassionate care situations, such as end-of-life. This will be pre-arranged with the facility Administrator.

Essential Personnel include: Facility staff, outside medical personnel such as hospice and EMS personnel that provide care to the residents, adult protective services staff, licensing/survey staff.

- Please check in at the front desk for screening. If you present with respiratory illness, you will not be allowed to visit. Even in an end-of-life situation.

- If you are cleared to visit, due to an end-of-life situation, only TWO VISITORS per resident at a time are allowed.

- Please limit your movement and surfaces touched within the facility, only visit your loved one in the designated area identified by the facility.

- Practice Social Distancing – this means staying away from large groups and maintaining distance (approximately 6 feet) from others.
